**DOG**<sup>®</sup>  
COPENHAGEN

## Stylish, comfortable and durable DOG gear from young Danish brand

We design and manufacture high-quality DOG gear suitable for the everyday urban and off-road adventures with your dog. Our mission is to develop comfortable and durable dog products featuring a functional and attractive design. It's the balanced mix of quality, functionality and classic Danish design that differentiate us from other brands.

Inspired by the active life with our four-legged friends we only use the best materials available and always listen to feedback from our customers to ensure that all product details are perfected. Every returning customer is proof that we are walking the right path.

The DOG Copenhagen brand was founded in 2015 and today our products can be purchased through selected retailers in 20 countries and still counting. You can find the retailers closest to you from our online shop-finder.

If you are looking for a new dog harness, dog collar or dog leash and expect a little more, we invite you to take a closer look at our product range. We only collect happy customers!

Sincerely yours,  
DOG Copenhagen

COMFORT WALK PRO™

HARNESSES

The **Comfort Walk Pro™** Harness from **DOG Copenhagen** is a strong and lightweight everyday harness made of durable stain and water-resistant materials with soft breathable padding. The harness is easy to fit and put on and comfortable for the dog to wear during any level of exercise. The easy-grab handle and two leash attachment options, one on the dog's back for everyday walks and one on the dog's chest, provides additional control and flexibility.

Try our matching range of leashes and collars for the complete set up!

**KEY FEATURES**

- Comfortable everyday harness that is easy to fit and put on
- Four points of adjustment to ensure optimal fit for each individual dog
- Soft breathable padding on chest, back and belly panels for comfortable daily use
- The ergonomic design is gentle on the dog's back and neck areas
- Easy-Grab handle on the back for quick control
- Two leash attachment options - one on the dog's back and one on the dog's chest
- Efficient 3M™ reflective trim for enhanced visibility in low-light conditions
- Aluminium hardware - nothing on the harness will rust
- Separate ID attachment point
- Designed in Denmark / Made in China
